Synopsis :

About the Author After majoring in English Literature with a concentration in Medieval and Folklore studies, Debra promptly sold out to the corporate world, occasionally dabbling in writing marketing copy and op/ed articles for a local city paper. Debra lives on a farm in Maryland with Sweetie, three sons, and a Noah's ark of four legged family members. Unlike her protagonist, she drives an old PT Cruiser, couldn't carry a tune if you duct taped it to her back, and enjoys an occasional cosmopolitan (heavy on the vodka). On a good day, she jogs and horseback rides, hopefully managing to keep the horse between herself and the ground. Her only known super power is 'Identify Roadkill'.
